

How did the engineers at IDEO use the Design Process in the video? Use as much space as you need to note the processes that they went through to design the new shopping cart.

Name _____ Period # _____ Date _____

Homework Assignment:

Describe how the engineers at IDEO used each step of the design process in detail.

Have you ever seen a shopping cart like the one they designed at IDEO? If so, where?

What are the potential problems with the design?

How could these problems be addressed in “Redesign”?

The assignment should be a one page typed. Be sure to put your *Name, Period and Date in the Header* of your document, and use **Times New Roman font, Size 12, Black, Double-spaced.**
